Office of the Inspector General of

Bangalore 17th September 1912

My dear Mr Ramaswamaiya

Your D O No 2150/Edn 432-11-13 dated 7th instant The University of Madras has finally approved of our Scheme of the award of Secondary School Leaving Certificates (Vide my official letter No 3017-8/163 of the 10th instant) and I see no objection now to the rules referred to in your D O being published

As regards requiring one at least of the subjects in Group C in the case of candidates for the public service I agree that it is desirable but I am of opinion that action in this direction should be postponed for two years till

till arrangements are made in our High Schools to t

these subjects At present, such rule will only be advantageous to the boys in Bangalore as they can attend the Commercial School of Mr Lakshminaranappa, but in the case of boys in other places, a positive disadvantage will have been created by issuing the rule at once, as no such facilities exist there The Government may however refer the question to me for consideration and submission of suitable proposals for the future

Yours sincerely,

M Shamanna Rao
